

# Spiral

## Tombs

Scorpion dance  
Live in solitude  
Climb the spiral path  
To darkened realm  
Bridge between the stars  
To the land of death  
Ascension to the light  
Break the chainsScorpion Dance  
Leave this poison lifeDeep inside  
We live in fear  
What lies beyond our mortal soul  
Deep inside our fragile soul  
And when you feel the darkness calling  
How will your final thoughts assemble
