

# When the Night Closes In

## Secret Service

Let us take a walk in the citylights  
'Cause this night is right and time is tight.  
Come and take my hand  
put your cigarette out I would like to know all about you.  
A few blocks from here is a boulevard  
Where we can find a late night cafe.  
We got everything to win when the night closes in. Let me dry your tears  
I know what you've been through But baby  
feel no fear  
I've been through it too.  
So just take my hand  
take a chance on me
