

# Watcher V.2

## Bury Tomorrow

I am forever the watcher  
oath sworn protector  
foretold your saviour  
I won't abandon you  
I cannot lose you  
I won't throw this hope away  
the hope you once knew  
I pray this sickness never ends  
I will not leave you  
to suffer at the hands  
of sin  
if I were silenced  
your name i would still speak  
I won't abandon you  
I cannot lose you  
I won't throw this hope away  
I won't abandon you  
I cannot lose you  
I won't throw this hope away  
I pray this sickness never ends  
I will not leave you  
to suffer at the hands  
of sin  
if I were silenced  
your name i would still speak
