

# Tastamam

## Can Bonomo

BaÅŸucuma mektup bÄ±rakmÄ±ÅŸ ve gitmiÅŸ  
KÄ±sacÄ±k bir mektupla beni terk etmiÅŸ  
Ne kadar mutluyduk oysa TanrÄ± ÅŸahidim  
Her ÅŸey dÄ¼nyaya ait ben ona aitim  
DÄ¼n sen ne dersen de tamam  
BitmiÅŸim halim yaman  
Bi' sendin derdimi anlayan  
DeÅŸ tenime gÄ¼zlerinle deÅŸ  
O zaman hallolur her ÅŸey  
Her ÅŸey hallolur tastamam  
Tamam haklÄ±ydÄ± belki de deÅŸiÅŸtim  
SÄ¼z ver ne olur hiÅŸ deÅŸiÅŸme demiÅŸtim  
O zamanlar baÅŸkaydÄ± her ÅŸey ÅŸimdi sakinim  
Bu dÄ¼nyayÄ± sevmedim ama azaldÄ± kinim

DÄ¼n sen ne dersen de tamam  
BitmiÅŸim halim yaman  
Bi' sendin derdimi anlayan  
DeÅŸ tenime gÄ¼zlerinle deÅŸ  
O zaman hallolur her ÅŸey  
Her ÅŸey hallolur tastamam  
Sensiz yaÅŸlanamam  
Nefes alamam ama  
Bir kez sesini duysam  
Senden uzaklaÅŸamam  
Yolu bulamam ama  
Bir kez elini tutsam  
DÄ¼n sen ne dersen de tamam  
BitmiÅŸim halim yaman  
Bi' sendin derdimi anlayan  
DeÅŸ tenime gÄ¼zlerinle deÅŸ  
O zaman hallolur her ÅŸey

Her ÅŸey hallolur tastamam Translation: Left a note next on my bedside table and left

Left me with a short letter  
But how happy we were God is my witness  
Everything belongs to earth, I belong to her  
Come back whatever you say is okay  
I'm ruined  
You were the only one who understood me  
Touch my skin with your eyes

Then everything will be all right  
Everything will be okay  
Okay, she was right, maybe I have changed  
I said "Promise me, never change"  
Everything was different then, I'm calm now  
I still don't like this world but my grudge died away  
Come back whatever you say is okay  
I'm ruined  
You were the only one who understood me  
Touch my skin with your eyes  
Then everything will be all right  
Everything will be okay  
I can't grow old without you  
I can't breathe if  
I hear your voice one more time  
I can't walk away from you  
I can't find the way if  
I hold your hand one more time  
Come back whatever you say is okay  
I'm ruined  
You were the only one who understood me  
Touch my skin with your eyes  
Then everything will be all right  
Everything will be okay
