Goodbye

Bride

Advisory - the following lyrics contain explicit language:

She comes to me in my dreams
Dancing on the stormy seas
The light to guide my wayThere was sorrow in my mind
She helped me to find
My way to the pearly gatesShe's here to say it's not the same as yesterday
You can change and you don't have to be alone
She's here to say there's a better way
If you'll open your heartGoodbye to the life that blinded me
Hello to the one who saved me
Goodbye to the life that blinded me
Hello to the one who saved meThere is room for everyone who listens
There's a Heaven for those who are wishing
When I get that broken kind of feeling
I have a friend I can believe inShe's here to say it's not the same as yesterday
You can change and you don't have to be alone
She's here to say there's a better way
If you'll open your heartGoodbye to the life that blinded me
Hello to the one who saved me
Goodbye to the life that blinded me
Hello to the one who saved me
Who that saved meShe's here to say it's not the same as yesterday
You can change and you don't have to be alone
She's here to say there's a better way
If you'll open your heartGoodbye to the life that blinded me
Hello to the one who saved me
Goodbye to the life that blinded me
Hello to the one who forgave me
Goodbye to the life that blinded me
Hello to the one who saved me
