

# Goodbye

## Bride

Advisory - the following lyrics contain explicit language:

She comes to me in my dreams  
Dancing on the stormy seas  
The light to guide my way There was sorrow in my mind  
She helped me to find  
My way to the pearly gates She's here to say it's not the same as yesterday  
You can change and you don't have to be alone  
She's here to say there's a better way  
If you'll open your heart Goodbye to the life that blinded me  
Hello to the one who saved me  
Goodbye to the life that blinded me  
Hello to the one who saved me There is room for everyone who listens  
There's a Heaven for those who are wishing  
When I get that broken kind of feeling  
I have a friend I can believe in She's here to say it's not the same as yesterday  
You can change and you don't have to be alone  
She's here to say there's a better way  
If you'll open your heart Goodbye to the life that blinded me  
Hello to the one who saved me  
Goodbye to the life that blinded me  
Hello to the one who saved me  
Who that saved me She's here to say it's not the same as yesterday  
You can change and you don't have to be alone  
She's here to say there's a better way  
If you'll open your heart Goodbye to the life that blinded me  
Hello to the one who saved me  
Goodbye to the life that blinded me  
Hello to the one who forgave me  
Goodbye to the life that blinded me  
Hello to the one who saved me
