Do Right

Paul Davis

I know that he gave His life for me
Set all our spirits free
So I wanna do right, wanna do right
All of my lifeI never dreamed, I could be holding you
Well He's making my dreams come true
So, I wanna do right, wanna do right
I wanna do right, ohYou've got to do right
Yes, you've got to do right
And He'll be your guiding light
But you've got to do right
And He'll be your guiding light
Listen to me people!I used to say, love was just game we play
Now I see it in a different way
So I wanna do right, I've got to do rightI never knew, I could be holding you
Well He's making my dreams come true
So I wanna do right, wanna do right
I wanna do rightYou've got to do right
Yes, she got to do right
And He'll be your guiding light
But you've got to do right
And He'll be your guiding light
Listen to me people!Well we just can't keep on livin' like we're livin'
We just can't keep on
(Livin' like we're livin')
Just can't keep on pushing to the limitWe just can't
(Can't keep on)
Just can't keep on livin' like we're livin'
We just can't keep on
(Livin' like we're livin')
Just can't keep on pushing to the limitWe just can't
(Can't keep on)
(Just can't keep on)
Just can't keep on
(Just can't keep on)
Living like we're living
(Just can't keep on)
No we just can't!Just can't keep on livin' like we're livin'
We just can't keep on
Just can't keep on pushing to the limit

We just can'tDon't you know we've got to do right?
Oh-oh
(Do right)
Don't you know
(Do right)
And He'll be your guiding light
