Hold Up My Heart

Brooke White

Please hold up my heart
Give me a reason for this empty silenceYou're here but you seem so far, why did you run away from me?
Is it because I'm not as pretty as I used to be?
Oh, like a picture on the wall should've known that I was bound to fallSo please hold up my heart
Give me a reason for this empty silence
Please hold up my heart
Darlin' I am changin', but everybody's changin' tooWhen I am weak try to always find the best of you and me
But I will always be the one who understands you
Like a picture on the wall should've known that I was bound to fallSo please hold up my heart
Give me a reason for this empty silence
Please hold up my heart
Darlin' I am changin', but everybody's changin' tooWe share hope, we share life
We share kisses by the fire
And I will always be the one who understands youSo please hold up my heart
Give me a reason for this empty silence
Please hold up my heart
Give me a reason for this empty silence
Please hold up my heart
Darlin' I am changin', but everybody's changin' too
Darlin' I am changin', but everybody's changin' too
