

# My Stupid Mouth

## Music Sounds Better With You

My stupid mouth  
Has got me in trouble  
I said too much again  
To a date over dinner yesterdayAnd I could see  
She was offended  
She said, "Well anyway"  
Just dying for a subject changeOh, it's another social casualty  
Score one more for meHow could I forget?  
Mama said, "Think before speaking"  
No filter in my head  
Oh, what's a boy to do  
I guess he better find one soonWe bit our lips  
She looked out the window  
Rolling tiny balls of napkin paper  
I played a quick game of chess with the salt and pepper shakerAnd I could see clearly  
An indelible line was drawn  
Between what was good  
What just slipped out and what went wrongOh, the way she feels about me has changed  
Thanks for playing, try againHow could I forget?  
Mama said, "Think before speaking"  
No filter in my head  
Oh, what's a boy to do  
I guess he better find oneI'm never speaking up again  
It only hurts me  
I'd rather be a mystery  
Than she desert meOh, I'm never speaking up again  
Starting now  
Starting nowOne more thing  
Why is it my fault?  
So maybe I try too hard  
But it's all because of this desireI just wanna be liked  
I just wanna be funny  
Looks like the jokes on me  
So call me captain backfireI'm never speaking up again  
It only hurts me  
I'd rather be a mystery  
Than she desert meOh, I'm never speaking up again  
I'm never speaking up again  
I'm never speaking up again

Starting now
