## The English Beat

Pato and Roger ago talk  
(Right)  
Aha, uhu  
Pato and Roger ago talk You come in a the dance  
You jump up and prance  
And when take a stop  
A so we hold them in a trance Aha, uhu  
Pato and Roger ago talk  
(Right)  
Aha, uhu  
Pato and Roger ago talk  
(Right) Come on everybody make me have some fun  
We all get together and live as one  
Give this yeah rockers strictly to the nation  
Then little after that it's in your radio station Cause me say, him Ranking Roger, say him really, really tall  
And him Ranking Pato say him really, really small  
We both get together and we nice up the hall  
And when we take a stop, even the rain can't fall Aha, uhu, Pato and Roger ago talk  
(Right)  
Aha, uhu, Pato and Roger ago talk  
(Right) Cause me say, man in a pants, and a woman in a frock  
And everything we chat them to have to musically rock  
Come move your little feet, come and rock to the beat  
Then little after that, them sam 'so unique' Girls and boys hear the school bell ring  
Run to your classes cause it's time to come in  
Pick up your shoes and run-a-mile  
Cause Pato and Roger say them come and make you smile Because we rock together, toast together  
Skank together, move together  
We a bredda, ay tell them, ay tell them
