Dirty Ol' demons

Town Meeting

| G | C |
I know Iâ€™m out of my mind but Iâ€™m into the morning
Cuz everything else is as even as passing away
Doesnâ€™t that dirty oldâ€™ demon await at my doorstep
Isnâ€™t it always that Iâ€™m fighting it on for the day
| Am | C |
Woah Woah Woah
| G | C |
I donâ€™t know if Iâ€™m in control or if I ever was
Itâ€™s flooding outside and I keep catching the rain in my coat
Iâ€™m burning my battles and Iâ€™ve lost more wars than Iâ€™ve won
But Iâ€™m willing to wage if it means I wonâ€™t face this alone
| Am | C |
Woah Woah Woah
| G | C |
I know Iâ€™m out of my mind but Iâ€™m into the moment
Cuz there ain't no telling what stays and what is taken away
Maybe this story was over the second I told it
I know Iâ€™m out of my mind but I think its okay
| Am | C |
Turning pages, Waking the day
This is all I know

[I included the guitar part too]
