

# Did You Get Hurt?

## Dog's Eye View

Do you believe it  
If you do then it's true  
And there's nothing I can say We could talk for hours  
We could roll around  
In these words and see  
If they feel good  
See if they'll save us Did you get hurt  
Did you get hurt  
Did you get wise You're doing a war dance  
But how can we fight  
When you're busy  
Dragging yourself down  
And looking all around  
For someone to blame? Did you get hurt  
Did you get hurt  
Did you get wise  
Did you get wise Now that you're standing  
Doesn't mean that you'll fall  
Just 'cause you gave everything  
Doesn't mean that I, that I took it all Did you get hurt  
Did you get hurt  
Did you get wise  
Did you get wise Did you get, did you get  
Did you get anything  
I said, tell me now  
Did you get, did you get  
Did you get wise Do you believe it?  
If you do, then it's true  
And there's nothing
