Catatonic Eclipse

GZR & Geezer

Download me, kill me
I know what I do
Time dreams are everywhere
They're watching you tooWhen life slips away
Fear tastes the kill
Death teachers find me
They know what to doMorpheus calls me
My future is here
Sleep not to dream
The meaning unclearDown morphine passages
Through cyber sex sleaze
To terrormorph images
Of viral disease
No time in space
No planet of hate
All ethics fade
In this silicon stateI stand at death's door
There's no need to knock
Hands of tomorrow
Winding death's clockMorpheus calls me
My future is here
Sleep not to dream
The meaning unclearDown morphine passages
Through cyber sex sleaze
To terrormorph images
Of viral disease
No time in space
No planet of hate
All ethics fade
In this silicon stateNo time in space
No planet of hate
All ethics fade
In this silicon stateDownload me, two guitars playing
Download me, two guitars playingMorpheus calls me
My future is here
Sleep not to dream
The meaning unclearNo time in space
No planet of hate
All ethics fade

In this silicon stateNo time in space
No planet of hate
All ethics fade
In this silicon state
