

# Spit My Rage (feat. Jamey Jasta of Hatebreed)

## Terror

Don't forget I know where you come from  
I watched it all, your every change  
From nothing to something so fast  
You never had a chance to learn a thing  
And there's so many just like you  
And it's always the same  
Forever ends before it began  
And now it's yourself that you hate Spit my rage  
In your face  
Spit my rage And those so quick to judge  
With a mouthful of shit you feed to everyone  
Lost in contradiction  
Now it's yourself you can't live with Spit my rage  
In your face  
Spit my rage Cut back down to size  
Lost in your own lies  
I'll spit - spit my fucking rage  
In your face Spit my rage  
In your face
