

Pucker Up

Ciara

[Darkchild:]

Yeahh...

Uhh...

Darkchild!

[Ciara:]

Shawty you can kiss my swagg

Hello, hello, hello, mwah!

Hello, hello, hello, hello

Everybody riding shotgun, scared to play the driver
Ci, got the pedal to the medal going super lightspeed

They say I'm far to gone, that's right yep, yep
I'm far to gone, these dollars signs, they follow me
Eh-Everywhere that I go

You don't like how I rock my swagg
How ya gonna tell me how to rock my swagg
I'mma wear my SuperGirl swagg
If you don't like it , you can kiss my swagg

You don't like how I rock my swagg
How ya gonna tell me how to rock my swagg
I'mma wear my SuperGirl swagg
If you don't like it , you can kiss my swagg

Pucker up
It'll make you famous ha-hollywood
Pucker up
Just kiss my, just kiss, just kiss kiss my
Pucker up
I can see you feenin', my swagg is waitin'

I'mma wear my SuperGirl swagg
If you don't like it , you can kiss my swagg

You don't like how I rock my swagg
How ya gonna tell me how to rock my swagg
I'mma wear my SuperGirl swagg
If you don't like it , you can kiss my swagg

Pucker up
It'll make you famous ha-hollywood
Pucker up
Just kiss my, just kiss, just kiss kiss my
Pucker up

It's hard enough trynna keep it up, without fallin' off
You got all the place looking, eh, eh...
When I close my eyes and I shake this lame disguise
Gimme on my touth a kiss
