Lauren and I

Keith Harkin

So see the leaves fall to the ground
And see them lying all around
'Cause still I can't see you
And there's a wind that plays in the air
Flying around how it does not care
Still I can't see youAnd the seasons pass away
And I still sit here lonely
Each and every day
Wondering what's gone wrong
'Cause I don't remember
Seasons lasting oh so long
Oh so long
And I still can't see you
And I still can't see you
And I still can't see you
Lauren and I
Lauren and I
Lauren and I
Lauren and I
And there's the stars way in the sky
Leading my way and I don't know where or why
Still I can't see youAnd when my back's against the wall
I see a reason for it all
But still I can't see you
And I still can't see you
And I still can't see you
And I still can't see you
Oh woah ooh
Lauren and I
Lauren and I
Lauren and I
Lauren and I
Lauren and I
oh woahhh
Lauren and I
Lauren and I
Lauren and I
Lauren and I
END
