

Almighty Blues

Lance Bryant

Youâ€™re satisfied with the blossom,
Because the wood is good.
If the wood bears good fruit,
Youâ€™ve got to love the root.

Almighty Blues,
Almighty Blues.
Almighty-mighty

Whatâ€™s the matter with you?
You donâ€™t love that almighty blues,
Almighty-mighty

(Solo Section)

Youâ€™re satisfied with the blossom,
Because the wood is good.
If the wood bears good fruit,
Youâ€™ve got to love the root.

Almighty Blues,
Almighty mighty mighty blues, yeah

Whatâ€™s the matter with you?
You donâ€™t love that almighty blues,
Almighty-mighty
Almighty mighty mighty, almighty blues
Almighty Blues
Oh oh oh
