

Girls Night Out

Hailey Verhaalen

V1-

Well me and the girls goin' out tonight
Might get a little drunk and get in a fight, yea
I wanna do something kinda risky
Maybe I can get a bad boy to miss me

Red lips, red hair
If you don't like that what do I care
Cause I got all I need
Standing right here beside me

It's a girls night out, a girls night out yea

V2-

We walk in the bar through the double doors
People starin' like they've never seen this before
Daisy dukes, cowboy boots
Three pretty little girls gonna turn one loose

Its about to get loud
Were two drinks in no stoppin' us now
I look up, what do I see
Mister tall dark and handsome laid his eyes on me

It's a girls night out, girls night out yea

Chorus:

Straight shootin' dancin' queens
Double fistin' little rebels, we're the life of the party
Not leavin' till they throw us out, not a care in the world
On this girls night out

V3-

We bat our eyes, and fix our hair
Put a smile on, and our hands in the air
It's a dark and dangerous mixture

Three single girls smilinâ€™™ for a picture

Get our drinks for free

Thank you boys that coke and whiskeys for me

Weâ€™™re all on top of our games

Thereâ€™™s no way this place will forget our names

Itâ€™™s a girls night out, girls night out yea

Chorus:

Straight shootinâ€™™ dancinâ€™™ queens

Double fistinâ€™™ little rebels, weâ€™™re the life of the party

Not leavinâ€™™ till they throw us out, not a care in the world

On this girls night out

Girls night out

Bridge:

Well curse the men who done us wrong

Itâ€™™d take a fool to leave us all alone

Curse the men who done us wrong

Itâ€™™d take a fool

Chorus:

Cause weâ€™™re

Straight shootinâ€™™ dancinâ€™™ queens

Double fistinâ€™™ little rebels, weâ€™™re the life of the party

Weâ€™™re not leavinâ€™™ till they throw us out, not a care in the world on this girls night out

Straight shootinâ€™™ dancinâ€™™ queens

Double fistinâ€™™ little rebels, weâ€™™re the life of the party

Not leavinâ€™™ till they throw us out, not a care in the world

On this girls night out

girls night out

It's a girls night out
