Get Ready 2 Rokk

Freezepop

hey, pretty boy, it's time to wake up
it's already after 10 o'clock
hey pretty boy, put on your make-up
it's time to leave, it's time to get ready to rockhey, pretty boy, find something to wear
there's a party up and down the block
hey, pretty boy, put some gel in your hair
it's time to leave, it's time to get ready to rocki try to wait and i try to be good,
i try to be patient, i know i should
i can't be held back when the streets call my name
i'm all dressed in black and i'm feeling no shame
it's time for me to rock.hey, pretty boy, put on a pouty face
i'm down the stairs i've got the door unlocked
hey, pretty boy, I want to leave this place
it's time to leave, it's time to get ready to rockhey, pretty boy, i can't wait no more
it shouldn't come as such a shock
hey, pretty boy, i'm out the door
it's time to leave, it's time to get ready to rockhey, pretty boy, it's time to wake up
it's already after 10 o'clock
hey pretty boy, put on your make-up
it's time to leave, it's time to get ready to rock
hey, pretty boy, i can't wait no more
it shouldn't come as such a shock
hey, pretty boy, i'm out the door
it's time to leave, it's time to get ready to rocki try to wait and i try to be good,
