

# See Saw

## Aretha Franklin

Sometimes you love me  
Like a good man ought to  
Sometimes you hurt me so bad  
My tears run like water You get me up  
Right before your friends  
Then you disown me baby  
Until we're alone again Your love is like a see saw  
Your love is like a see saw, baby  
Your love is like a see saw  
Goin' up and down, all around  
It's like a see saw Sometimes ya tell me  
Ya don't need my sweet candy man  
And then sometimes baby  
I don't know where I stand You lift me up  
When I'm on the ground  
But as soon as I get up top  
You send me tumblin' down Now your love is like a see saw  
Your love is like a see saw, baby  
Your love is like a see saw  
Goin up, down, all around  
Just like a see saw When I kiss you and I like it  
And I ask you to kiss me again  
When I reach for you  
Ya jump clean out of sight  
You change just like the wind That ain't right  
That ain't right  
That ain't right  
That ain't right baby Your love is like a see saw  
Your love is like a see saw, baby  
Your love is like a see saw  
Goin' up, goin' down, goin' all around It's like a see saw  
Your love is like a see saw  
Your love is like a see saw, baby  
Your love is like a see saw  
Goin' up, down, all around  
It's like a see saw, yeah
