

# Free My Mind

**Matt Coleman**

Free my mind, taught to run  
I didn't get to your mind  
You'll see another part of me  
Go ahead, I'll work around  
You didn't, didn't get what you need  
It's over now  
Stop trying to apologize, no one else to blame  
I've been down, right down on my knees too many times  
Everything has to end  
A distant memory  
Everything has to change  
But you take a part of me  
I see anew, mistakes I've made  
I'll hold on to life and start again  
Everything has to end  
A distant memory  
Everything has to change  
But you take a part of me
