

Garden of the Gods

Echoes Of Eternity

From the four winds of the night
To the temple of Soma
Induce the visions of the vine
Talk to Lady Salvia
Mystic, healerLeave this realm
Garden of the Gods
Leave this realm
Journey with soul
Garden of the GodsIn the Garden of the Gods
There inside it lies the key
To unlock celestial doors
To see you are a deity
Mystic, healerLeave this realm
Garden of the Gods
Leave this realm
Journey with soul
Garden of the GodsReach the skies, find inside
From the other realm
Find the answers that you seek
No matter how you fallReach the skies, find inside
From the other realm
Find the answers that you seek
No matter how you fallLeave this realm
Garden of the Gods
Leave this realm
Journey with soul
Garden of the Gods
