

Every Morning

Patent Pending

Every morning there's a halo hangin'
From the corner of my girlfriend's four post bed
I know it's not mine but I'll see if I can use it for
The weekend or a one-night stand
Couldn't understand how to work it out
Once again as predicted
Left my broken heart open
And you ripped it out
Something's got me reeling
Stopped me from believing
Turn me around again
Said that we can do it
You know I wanna do it again
Sugar ray say, every morning
Every morning when I wake up
Shut the door baby, don't say a word
She always rights wrongs
She always rights, she always rights
Shut the door baby, shut the door baby
Every morning there's a heartache hanging
From the corner of my girlfriend's four-post bed
I know it's not mine and I know she thinks she loves me
But I never can believe what she said
Something so deceiving
When you stop believing
Turn me around again
Said we couldn't do it
You know I wanna do it again
Every morning, every morning when I wake up
Shut the door baby, don't say a word
Every morning, every morning when I wake up
Shut the door baby, shut the door baby
She always rights the wrongs for me, baby
She always rights the wrongs for me
Every morning there's a halo hanging
From the corner of my girlfriends four-post bed
I know it's not mine but I'll see if I can use it for
The weekend or a one-night stand
Shut the door baby, don't say a word

Every morning, every morning when I wake up
Shut the door baby, shut the door baby
Every morning, every morning
Shut the door baby, don't say a word
Every morning, every morning when I wake up
Every morning, shut the door baby
