

# Enamorada

## Mã<sup>3</sup>nica Naranjo

You're in love- it's obvious  
Not with me and not with us.

Looks like this time it's serious  
If it's love- go if you must  
And I just can't cry anymore  
But I can't give you up.

All I have is not enough  
Someone else has won your love  
Mã<sup>3</sup>nica estã;s enamorada.

Part of me but only part  
Knows you must obey your heart  
You're in love- estã;s enamorada.

Some things you- don't have to say  
Somehow you- communicate  
It's a deep dark secret you've locked away  
Can't escape- the hand of fate  
And I just can't wait any longer  
Too much in love .

All I have is not enough  
Someone else has won your love  
Mã<sup>3</sup>nica estã;s enamorada.

Part of me but only part  
Knows you must obey your heart  
You're in love- estã;s enamorada.

You're in love- it's obvious  
Looks as though it's serious  
Love can make you delirious  
Doubt your faith- and lose your trust  
You just don't care anymore  
Too much in love .

Ella estã;s enamorada .  
All I have is not enough

Someone else has won your love .

Enamorada .

Part of me but only part

Knows you must obey your heart

You're in love- estÃ¡s enamorada.

Enamorada.

Ella estÃ¡ enamorada.
