

Dyin' Since The Day I Was Born

[Leslie West](#)

I've dyin since the day I was born. Can't remember where I went wrong.

Every time I think OI might have got it right.

I'm in the ring again trying to fight a good fight.

I've dyin since the day I was born

I've been climbing these hills so long

I don't know how to stop

It really doesn't matter cause Ill never reach the top.

Don't bury me or build me a shrine

I've put enough miles on this body of mine

Oh I've dyin since the day I was born

Hit me like a hammer

Hit me like a crane

Like a good drug it went straight to my brain

Couldn't resist I was hung out to dry

It drained me

Maimed me but I didn't wanna die

I've dyin since the day I was born. Can't remember where I went wrong

All my possessions may not pass for cash

But they do have value just like my ash

The organs I got aint worth a donation

If you could.... Arrange a cremation

I've dyin since the day I was born. Can't remember where I went wrong

I've dyin since the day I was born.
