I'm a cold ass nigga, a cold ass nigga
The type to pop a clip off and reload ass nigga
So fuck a phone I show up at your home ass niga
Murder murder on my mind that's how I'm programmed nigga
I'm a cold ass nigga, a cold ass nigga
The type to pop a clip off and reload ass nigga
So fuck a phone I show up at your home ass nigga
Murder murder on my mind that's how I'm programmed nigga
I'm a cold ass nigga, a cold ass nigga
