

# Milk Nâ€™™ Honey (feat. Rose LeBeau & Gail Gotti)

Teena Marie

Mama Rose got da flavour, Lady T got da flavour, All My Ladies got da flavour. L-O-V-E what more can I give you baby? love is all you ever really need just like a drizzle baby. Can't take nuthing what you can't you see know that's for shizzle baby so I thank you for the memories and that's official baby I imagine something for than you that's what the public told me. Nothing more than giving peace a chance, peace like your arms to hold me. Build you a castle with the tower so high that women came from smoking. Need an angel with some wings so fly love me some holy holy. {Chorus}

Cause my fingers popping baby baby and the base lines banging like crazy and the whispers crawling to the oh gee crime smiling faces in my heart be fine. Giving you something you can feel giving you something baby I'm for real what more can I give you baby sweeter than this song, Milk'n'Honey baby make ya love strong. What more can I give you baby that will linger on Milk'n'Honey baby make ya love strong. {Verse 2}

Are-O-S-E out there's a sweet rose baby simple things they appeal to me beats like a spitel baby Nelly ella can't you see where I sizzle baby hot boy swagger for sure for me I like the way your wisdom truly ain't no mountain high enough to keep e from it baby. Sometimes I don't think I'm hood enough to climb the stomach baby. Once I heard a voice that spoke of love so good to come it baby gave me a spirit of the riches stuff it gives I love it baby.

Cause my bodys swinging baby baby and the base lines banging like crazy and for real stuff kick into my crew makes it in places baby wata'do. Giving you something you can feel giving you something baby I'm for real. What more can I give you baby sweeter than love songs Milk'n'Honey baby make ya love strong. What more can I give you baby that will linger on Milk'n'Honey baby make ya love strong. {Rapping} L-A-D-why what more can I give you baby I build you a castle with the tower so high just like a mistle baby I need me an angel with the wings so fly know that's official baby feeling the the day you die show love for shizzle baby. Cause my body swanging baby baby and the base lines banging like crazy and for real kick into my crew it in places baby wata'do giving you something you can feel giving you something baby I'm for real what more can I give you baby sweeter than this song Milk'n'Honey baby make ya love strong what more can I give you baby that will linger on Milk'n'Honey baby make ya love strong. What more can I give you baby sweeter than love songs Milk'n'Honey baby make ya love strong what more can I give you baby that will linger on Milk'n'Honey baby make ya love strong {Fade}
