Flex Your Way Out (feat. Blackbear)

Sofi De la Torre

(Sofi de la Torre)
You are not the same don't come pretend you are
And i am ever-changing too but i'd take a shot for you
Any damn day and you know it
Ride with you down any dead end full speed just to show itBut you are not the same don't come pretend you are
Circumstances changed the very core of us
But i've been down every step of the way and you know it
Had you from day one but boy go ahead and ignore it
[Chorus]
Go ahead and play with another, not me, i'm done
Love with another or several others, i'm done
Flex your way outta here...go flex your way outta here
Go ahead and play with another, not me, i'm done(blackbear)
You are not the same and don't pretend you are
Why should i be feeling so alone when we're just chillin
Girl i don't know what to say to ya other than i know i fucked up, i'm sorry
And i held you down when no one was around
Will you stop me if i'm leaving[Chorus]
Go ahead and play with another, not me, i'm done
Love with another or several others, i'm done
Flex your way outta here...go flex your way outta here
Go ahead and play with another, not me, i'm doneWe are not the same don't come pretend we are
And i cannot ask more of you
I'd like to say i'm above it but fuck it, i'm salty
Cause split seconds don't mean a thing when the days are this toxic[Chorus]
Go ahead and play with another, not me, i'm done
Love with another or several others, i'm done
Flex your way outta here...go flex your way outta here
Go ahead and play with another, not me, i'm done
