King for today

Welcome to Theatro Mio!
Iâ€™m the king for today.
We will sail the World together;
White, brown, strait or gay.
No tomorrow - just today,
Iâ€™m the King for today
Iâ€™ll destroy the state of dogma,
Iâ€™m the king for today,
I will stuff myself with dolmas
just because I can
No tomorrow - just today
Iâ€™m the King for today

Dorme il re, - sorridendo
Spero sta cosiâ€™ “ non svegliare
Lo cambierà il mondo
Se si apre gli occhi mai

In the morning in my castle,
Iâ€™ll serve three purple eggs.
One for me, one for you,
One for just in case.
No tomorrow - just today
Iâ€™m the King for today
