because webby gets weird al yancovich

i wear ninja turtle tshirts everyday  
i got cartoons tattted all over my whole body  
am i a weirdo...(duh) yea prollyi got two pet turtles and a frog  
a gravity bomb and a fluffy white dog  
living in the attic in my parents house  
I get drunk watching nickelodian on the couchTransform running when I hear the beat  
Even if strange is what I appear to be  
I give true to myself and its clear to see  
That if your not a weirdo, then your weird to meoh oh oh oh weirdo
