

Outta Sight

Bananarama

Good morning happy dreamer
And tell me how are you
Feet on the ground
Just called to say
'I'm in the mood'(bridge 1)
My car's parked out on the driveway
Are you free this afternoon
'cause it's in need of attention
So I'll drop by would that be cool(chorus)
The way that you do
What you want me to do
Makes me feel alright
The way that you drum me
The way that you bass me
It's outta sight
Outta sight
Outta sight I don't believe in wasting
My time, so I'll move fast
This dream machine
Was built to last(bridge 2)
So cruise on down my main street
'cause I got nothing to hide
And polish up your engine

We're heading for overdrive(chorus)(bridge 1)(chorus)publishing : In A Bunch Music Ltd - Warner Chappell
