

# Free & Freaky

## The Stooges

I'm the kinda guy  
Who don't pick up the phone  
I sneak around the room  
I bitch about and moan  
People make me nervous  
Pretty soon they'll leave me alone

Free and freaky in the U.S.A.

My sister went to war  
She tied a guy up on a leash  
I think about it sometimes  
While I'm sittin' on the beach  
I hate it when people look at me the wrong way

Free and freaky in the U.S.A.  
Free and freaky in the U.S.A.

England and France  
These cultures are old  
The cheese is stinky  
And the beer ain't cold  
When I go over there I gotta walk bold

Free and freaky in the U.S.A.  
Free and freaky in the U.S.A.  
Free and freaky in the U.S.A.

Whoa, today, my mind begins to stray

I sit around an old house  
Schemin' in the dark  
I'm walkin' all alone  
In a bath robe, in the park  
I feel a touch of evil  
But I guess it'll be O.K.

Free and freaky in the U.S.A.

Alabama

Dali Lama  
Baby Mama

Free and freaky in the U.S.A.  
Free and freaky in the U.S.A.

Rude Madonna  
Benihana  
Antique father

Free and freaky in the U.S.A.  
Free and freaky in the U.S.A.  
Free and freaky in the U.S.A.  
Free and freaky in the U.S.A.  
Free and freaky in the U.S.A.  
Free and freaky in the U.S.A.
