Calling All Corpses

Wednesday 13

Calling all, calling all corpses
Calling all, calling all corpses
Calling all, calling all corpses
Calling all, calling all corpses
Tonight's the night, we drink your blood
Tonight's the night, we drink your blood
Tonight's the night, we drink your blood
Tonight's the night, we drink your blood
Tonight, tonight, we drink your blood tonight
Tonight, tonight, we drink your blood tonight
Tonight, tonight, we drink your blood tonight
Tonight, tonight, we drink your blood tonight

Calling all, calling all corpses
Calling all, calling all corpses
Calling all, calling all corpses
Calling all, calling all corpses
Tonight's the night, we drink drink your blood
Tonight's the night, we drink drink your blood
Tonight's the night, we drink drink your blood
Tonight's the night, we drink drink your blood
Tonight, tonight, we drink your blood tonight
Tonight, tonight, we drink your blood tonight
Tonight, tonight, we drink your blood tonight
Tonight, tonight, we drink your blood tonight
