

# Calling All Corpses

Wednesday 13

Calling all, calling all corpses  
Calling all, calling all corpses  
Calling all, calling all corpses  
Calling all, calling all corpses  
Tonight's the night, we drink your blood  
Tonight's the night, we drink your blood  
Tonight's the night, we drink your blood  
Tonight's the night, we drink your blood  
Tonight, tonight, we drink your blood tonight  
Tonight, tonight, we drink your blood tonight  
Tonight, tonight, we drink your blood tonight  
Tonight, tonight, we drink your blood tonight

Calling all, calling all corpses  
Calling all, calling all corpses  
Calling all, calling all corpses  
Calling all, calling all corpses  
Tonight's the night, we drink drink your blood  
Tonight's the night, we drink drink your blood  
Tonight's the night, we drink drink your blood  
Tonight's the night, we drink drink your blood  
Tonight, tonight, we drink your blood tonight  
Tonight, tonight, we drink your blood tonight  
Tonight, tonight, we drink your blood tonight  
Tonight, tonight, we drink your blood tonight
