

Too Cold

Chip tha Ripper

Ah, stop, collaborate and listen
Ice is back I got a brand new invention
Something grabs a hold of me tightly
Flow like a harpoon, daily and nightly
Will it ever stop? Yo, I don't know
Now turn off the lights, huh, and I'll glow
And to the extreme I rock a mic like a vandal
Light up a stage and wax a chump like a candle

Too cold, too cold

Too cold, too cold

Too cold, too cold

Too cold

But you been talkin' that shit

Dance, bum rush the speaker that booms
I'm killing your brain like a poisonous mushroom

Deadly, now as I play a dope melody

Anything less than the best is a felony

Love it or leave it, you better gain way

You better hit the bulls' eye, the kid don't play

And if there was a problem, yo, I'll solve it

Check out the hook while my DJ revolves it

Ice Ice Baby

Ice Ice Baby

Ice Ice Baby

Ice Ice Baby

Take heed 'cause I'm a lyrical poet
Miami's on the scene just in case you didn't know it

My town that created all the bass sound

Enough to shake and kick holes in the ground

'Cause my style is like a chemical spill

Feasible rhymes you can vision and feel

Conducted and formed this is a hell of a concept

We make it hype and know you wanna step with this

Swamp plays on the fade, slice like a ninja

Cut like a razor blade so fast, other DJ say, damn

If rhyme was a drug, you know I'd sell it by the gram

Keep my composure when it's time to get loose
I magnetized by the mic and when I kick my juice
And if there was a problem, you know that I would solve it
Check out the hook while my DJ revolves it

Ice Ice Baby

Throw your hands in the air
Let me know you're out there

Ice Ice Baby

Ice Ice Baby

Throw your hands in the air
Let me know you're out there

Ice Ice Baby

Too fuckin' cold
Too cold, too cold
Too cold, too cold

Ice Ice Baby

Too cold, too cold
