

# Dirty Mouth

## Hot Hot Heat

Wash your dirty mouth  
Your dirty mouth  
Watch your little mouth  
Wash your dirty mouth  
Your dirty mouth

Watch your little mouth I don't wanna wait anymore Wake up cinnamon

They can't get in and that's them at the door,

'cause checkout time is noon and pretty soon it's a quarter to four I don't wanna wait anymore Wash your dirty mouth

Your dirty mouth

Watch your little mouth 'cause you taste like you're already gone Small town girls and boys make too much noise so I keep to myself

But acting tough is rough - enough is enough - I feel like hell

Tied up in London, you came undone with a two handed tug

With pieces of a phone, thrown at the door, spread out on the rug I don't wanna wait anymore Wash your dirty mouth

Your dirty mouth

Watch your little mouth 'cause you taste like you're already gone

Wash your dirty mouth

Your dirty mouth

Watch your little mouth 'cause you taste like you're already gone I gotta say I cannot wait

Not even one more night or day

Why don't you fly and get away

And end this awful holiday

Come and play, come and stay, and end this awful holiday

I gotta say I cannot wait

Not even one more night or day

Why don't you fly and get away and end this awful holiday Wash your dirty mouth

Your dirty mouth

Watch your little mouth 'cause you taste like you're already gone

Wash your dirty mouth

Your dirty mouth

Watch your little mouth 'cause you taste like you're already gone
