Dancing With the Stars

Tian Winter

Let's go, let's go, let's go

Move that body girl, dance for me
Keep shaking it waving your hands for me
Girl you making me high like ecstasy
I'm dancing with the stars

I'm so high I won't come down (oh)
Levitation off the ground (oh)
It's like I'm walking on clouds (and)
I'm dancing amongst the stars (yeah)

I'm so high I won't come down (oh)
Levitation off the ground (oh)
It's like I'm walking on clouds (and)
I'm dancing amongst the stars (yeah)

Got me feeling like a scene in a movie
But I don't need a hero to save me (no)
When you push up on my body baby
It' like magic taking over me

Just you and me, keep dancing
Slow grinding, romancing
I'm taking my chances, with you tonight girl

I'm a rockstar, you're a beauty queen
We going hard like a love scene
But I know this feeling is real (Oooh oh-oh)

I'm so high I won't come down (oh)
Levitation off the ground (oh)
It's like I'm walking on clouds (and)
I'm dancing amongst the stars (yeah)

I'm so high I won't come down (oh)
Levitation off the ground (oh)
It's like I'm walking on clouds (and)
I'm dancing amongst the stars (yeah)

Like a diamond shining bright in the spotlight
You're the only thing I see in front of me tonight (yeah)
Pretty girl, when you dance it's like a miracle
'Cause the club just turned invisible

It's just you and me (yeah)
You keep smiling and acting
Like nothing's gon happen

But opposites attracting you close to me (yeah)
So hold me, real tight, let's keep dancing all night
I love the way that it feels (Oooh oh-oh)

I'm so high I won't come down (oh)
Levitation off the ground (oh)
It's like I'm walking on clouds (and)
I'm dancing amongst the stars (yeah)

I'm so high I won't come down (oh) (I won't come down)
Levitation off the ground (oh) (Levitating off)
It's like I'm walking on clouds (and) (It's like I'm)
I'm dancing amongst the stars (yeah) (I'm so high)

I'm so high I won't come down (oh) (I won't come down)
