With You

James Fortune

God of Love, God of Power, the only reason that I'm still here
God of Mercy, your hand of grace, touched my life I'm forever changed
Life was so empty until you came in, when I was weak you showed me your strength
Now I'm convinced that I can do anything with you

With you, I find my strength
With you, I can hold on
With you, I know Iâ€™m covered
No greater power than you
No God is greater than you

God of Love, God of Power, the only reason that I'm still here
God of Mercy, your hand of grace, touched my life I'm forever changed

Life was so empty until you came in, when I was weak you showed me your strength
Now I'm convinced that I can do anything with you

When I'm with you
When I'm with you
