

# With You

James Fortune

God of Love, God of Power, the only reason that I'm still here  
God of Mercy, your hand of grace, touched my life I'm forever changed  
Life was so empty until you came in, when I was weak you showed me your strength  
Now I'm convinced that I can do anything with you

With you, I find my strength  
With you, I can hold on  
With you, I know Iâ€™m covered  
No greater power than you  
No God is greater than you

God of Love, God of Power, the only reason that I'm still here  
God of Mercy, your hand of grace, touched my life I'm forever changed  
Life was so empty until you came in, when I was weak you showed me your strength  
Now I'm convinced that I can do anything with you

When I'm with you  
When I'm with you
