

The First Time Ever I Saw Your Face

Roberta Flack

The first time ever I saw your face
I thought the sun rose in your eyes
And the moon and the stars were the gifts you gave
To the dark and the endless skies, my love
To the dark and the endless skies And the first time ever I kissed your lips
I felt the earth move in my hand
Like the trembling heart of a captive bird
That was there at my command, my love
That was there at my command, my love And the first time ever I lay with you
I felt your heart so close to mine
And I knew our joy would fill the earth
And last till the end of time, my love
And it would last till the end of time, my love The first time ever I saw your face
Your face
Your face
Your face
