

# My Apocalypse (Doomsday Machine - 2005)

## Arch Enemy

Sudden implosion of silenced emotions  
Buried beneath a scarred heart for too long  
Delusions of hope fading away  
Dying like leaves on frozen soilMy apocalypse is near  
I can feel the end, coming hereNeglecting existence repulse and repent  
An endless journey into the morbid  
Whispering voices distorting all senses  
Buried beneath a scarred heart for too longMy apocalypse is near  
I can feel the end coming hereMy apocalypse is near  
I can feel the end coming hereThe bitter taste of a dying dream  
Shine the light on our shadows and illusions
