

# Gunshot

## Zuluman

No escape for me  
Would you set me free?  
Chase me, hunt me down  
Make me change my mind  
I don't wanna know  
What you're gonna make me do  
What you're gonna take me through  
But I'm telling you  
You could be my life  
If you could be my getaway  
Get get getaway  
Get get getaway  
There's nothing to say  
I can't run away  
I know you're aiming at me  
And I'm still afraid  
Don't leave me for dead  
'Cause I just feel it  
Like a gunshot, baby  
When you touch me  
Maybe I will die  
Yeah maybe I will die  
And if I run like crazy  
Will your gunshot take me?  
Will you save me, baby?  
Will I die?  
Insecurity  
You have weakened me  
Tell me what to do!  
Can I count on you?  
Will you hit and run?  
Will you bring me suffering?  
Shooting through my armor  
I am lingering  
'Cause you could be my life  
If you would be my getaway  
Get get getaway  
Get get getaway  
There's nothing to say

I can't run away  
I know you're aiming at me  
And I'm still afraid  
Don't leave me for dead  
'Cause I just feel it  
Like a gunshot, baby  
When you touch me  
Maybe I will die  
Yeah maybe I will die  
And if I run like crazy  
Will your gunshot take me?  
Will you save me, baby?  
Will I die?  
Boom, boom, boom  
Ears are ringing now  
Boom, boom, boom  
Come on, sing it now  
Come on, sing it now  
You be makin' it  
Boom boom boom  
You be shakin' it  
Boom, boom, boom  
You surrender now  
You surrender now  
There's nothing to say  
I can't run away  
I know you're aiming at me  
And I'm still afraid  
Don't leave me for dead  
'Cause I just feel it  
Like a gunshot, baby  
When you touch me  
Maybe I will die  
Yeah maybe I will die  
And if I run like crazy  
Will your gunshot take me?  
Will you save me, baby?  
Will I die?
