

# Vivian (Elijah Thomson)

## Delta Spirit

Sleep oh sleep my Vivian  
Heaven is too cold without you  
Well I'll stay right here above the clouds  
Waiting to see heaven with you Well I'll fall for each breath as long as I could  
Fighting with nothing, no  
The last breath I took blew through the wind  
And into nothin' at all Sleep oh sleep my Vivian  
Heaven is too cold without you  
Well I'll stay right here below the clouds  
Waiting to see heaven with you Well I know it's hard to deal with the pain  
You yell from your liver giving out  
Well just close your eyes and think of me Oh Jerry's not leavin' this gal Sleep oh sleep my Vivian  
Heaven is too cold without you  
Well I'll stay right here above your house  
Waiting to see heaven with you Oh your firey red hair and your warm brown eyes  
You remember the day that we wed?  
Forever our souls are intertwined  
Not separate even in death Sleep oh sleep my Vivian  
Heaven ain't nothin' without you  
Well I'll stay right here beside your bed  
Waiting to see heaven with you  
Waiting to see heaven with you  
Waiting to see heaven with you
