They'll Never Stop The Simpsons

The Simpsons

Ullman shorts, Christmas show,
Marge's fling, Homer's bro,
Bart in well, Flanders fails,
Whacking snakes, Monorail.
Mr. Plow, Homer space,
Sideshow Bob steps on rakes,
Lisa's future, Selma's hubby,
Marge not proud, Homer chubby.

Homer worries Bart is gay,
Poochie, U2, NRA,
Hippies, Vegas and Japan,
Octuplets, and Bart's boy band.
Marge murmurs, Maude croaks,
Lisa's Buddhist, Homer tokes,
Maggie blows Burns away,
What else do I have to say!

They'll never stop The Simpsons,
Have no fears, we've got stories for years, like:
Marge becomes a robot,
Maybe Moe gets a cell phone,
Has Bart ever owned a bear?
Or how about a crazy wedding?
Where something happens, a-do-do-do-do-do.

Sorry for the clip show.
Have no fears, we've got story for years
