Rat Pack

Sick Of It All

You wanna jump me in the pack.
Rat Pack, rat pack
My crew has got my back.
Rat pack, rat pack
Been through this shit before.
Rat pack, rat pack
Now you've got a fucking war.
Rat pack, rat packI got my pride, glory's on my side.
Yes, I got my pride, glory's on my side.See you alone you start to run.
Rat pack, rat pack
Take your chances one on one.
Rat pack, rat pack
I got my pride, glory's on my side.
Oh yes, I got my pride, glory's on my side.
