

I Like the Way (Rolling Stone Original Version)

Unwritten Law

I got a cocaine and she's cookin' up a pound of pills
Another ride to the station and you know I'm gonna pay the bills, lord
I gotta go see my baby
Gotta run run run
The only girl I loved
It'll be the last one
I know I know
She's hell on wheels
I know how she feels boy I like the way that she moves when she moves me
I like the way that she feels when she feels me
She don't complain when I say that I'm leavin'
I'm in love I got a cyclone woman she's cookin' up a pound of thrills
Another night she's away couldn't take cause you know it kills
I missed her for six days
Can't wait to see that fine-lookin' woman motherfuckin' lyin' next to me
She's hell on wheels
I know how she feels boy I like the way that she moves when she moves me
I like the way that she feels when she feels me
She don't complain when I say that I'm leavin'
I'm in love I spent a lifetime finding you
Oh my love
And I'd die a thousand times for you, my love Yeah gotta run run run
Ooh, she'll be the last one
I know I know
