Here At the Right Time (Acoustic)

Josh Ritter

Under wide blue skies
There's a place to lie
For me and Evelyn to hide tonight
I'll try my best to make a go
But I'm not sure what I don't know
Oh chariots, if you're out there
Please swing lowTell me I got here at the right time
If I did it's probably the first time
No second guesses or secret signs
Tell me I got here at the right timeYou're so red in the eyes
Either too low or too high
When I met you, you were sick
But you did not know why
I was a pretty poor cure
But my love for you was always sure
The bucket was broken
But the water was pureTell me I got here at the right time
If I did it's probably the first time
No second guesses or secret signs
Tell me I got here at the right time
