Sublime

Jesse & Joy

I will follow you, through heaven, earth and time
Will you be there for me, when I reach the end of the line?
So can you guarantee for all eternity?
Sublime, sublime
If we just carry on, we will find a way
If it's not destiny, can you and me just be
Sublime, be sublime
Will you follow me a shoulder's sometimes nice
I will be there for you, when a safety net feels right
So give your hand to me when you need anything
Sublime, sublime
If we just carry on, we will find a way
If it's not destiny, can you and me just be
Sublime, be sublime, be sublime, be sublime
Hush now darling don't you cry
Every little thing is gonna be alright
Hush now child don't say a word
Trying to sing a song 'bout heaven on earth
Sublime, sublime, sublime, sublime
If we just carry on, we will find a way
If it's not destiny, can you and me just be
Sublime, be sublime
If it's not destiny, can you and me just be
Sublime, be sublime, be sublime, be sublime
So can you guarantee, for all eternity
Sublime, sublime
