

Fuck All!

Atari Teenage Riot

It's about time that the Atari teenage riot is taking over
And some people look at you and they ask you
Where is the fun you promised me [unverified]
Fuck! You won't cry for me! Turn around my ideas I don't need your fuckin' attitude!
Fuck all! Fuck all!
Fuck all! Fuck all!
Fuck all! Fuck all! Cut all policemen into pieces!
Fuck all! Fuck all!
Fuck all! Fuck all!
Fuck all! Fuck all!
Fuck all! Fuck all! I just don't know, what you try to tell me
This can't be true!
You make me feel nothing! Nothing!
You lie to yourself! Come on, you stupid pig! Get the fuck away!
Fuck all! Fuck all!
Fuck all! Fuck all!
Fuck all! Fuck all!
Fuck all! Fuck all!
Fuck all! Fuck all! Did you try to say anything? But how?
You can't escape! You can't!
Losing control doesn't always have to lead into danger!
You have no choice or do you wanna stay a slave?
Are you going to resign? Are you going to resign? We disharmonize the entertainment industry!
Let's destroy the future! From here! From now!
We are resistance! We are the resistance!
Only when the old has died the new has a change to be born Fuck all! Fuck over the state!
Fuck all! Fuck all!
Fuck all! Fuck all!
Fuck all! Fuck all!
Fuck all! Fuck all!
Fuck all! Fuck all! Now it's your turn, we've got other things to do!
You can't return now, you can't return!
Fuck all! Fuck all!
Fuck all! Fuck all!
Fuck all! Fuck all!
Fuck all! Fuck all! You can't return
