Come Back Home (Myd Remix)

Two Door Cinema Club

Another Saturday, another careless move
Tell the world that you're thinking of what to do
A window opens up and some one calls your name
But I can tell you don't know how to play this gameI know this isn't it
You'll hit your target some daySo now your on your own
Won't you come back home
To see you're not that kind
And find the strength
To find the strength
To find another wayTo find another way
To find another way
To find another waySo tell me what you need
And I'll accommodate
But if too long goes by
You just might be too late
An opportunity you can't afford to waste
So have the lines in your head first
For heaven's sakeYou hear the day beckoning
Know what its all in your headSo now your on your own
Won't you come back home
To see you're not that kind
And find the strength
To find the strength
To find another waySo now your on your own
Won't you come back home
To see you're not that kind
And find the strength
To find the strengthSo now your on your own
Won't you come back home
To see you're not that kind
And find the strength
To find the strength
To find another way
